

# Here Comes The Judge

1975 – 1

Top class Kentucky-bred returns to 1<sup>st</sup> Saturday in May activities and makes Derby wall debut. After extensive District workouts, Here Comes The Judge gets out of the gate and off of the bench to set new marks on the big Circuit. Local handicappers predict that the Judge may forego today's Juris Prudence Handicap in order to ensure due process in the Julep Justice General Disassembly Caucus Concoction Commotion Championship. Career credits include an impressive performance in the "I Passed The Bar Once But I'll Never Pass One Again Stakes" and a gallant gallop in the "I'll Get Rusty In Lots Of Places Before I Get Rusty In The Saddle Championship Series". When they turn for home, watch out for Here Comes The Judge.
