

First Lady

1 – 1

You might still be undecided about your candidate for this year's November Follies, but local (Derby) party pickers and horse handicappers strongly suggest you cast your compliments and volley your vote for the reigning First Lady of Raymonde Lane. Contributions to the First Lady's PAC (Party Attenuation Collection) are not necessary, and post time party favors obtained from the First Lady without the express written consent of the Governor are absolutely prohibited. I am the Governor and I approve this message.
