

Newlyweds

2 - 1

Here's a coupled entry that local pony pickers think you can bet on all day. He knows how to sign 'em and sell 'em (well maybe not in that order and you may wonder where he gets that from huh?) and she knows how to make an old gray mare (or Mary Dietz) look like a chestnut champion filly in the winner's circle. Top house handicappers remember when he was more about Happy Meals and Hot Wheels.....and now it's Hot Deals on new or used wheels. And we didn't know her before (but we bet she was a cute kid), but we know she likes Pinot Noir (hey, what the heck, it rhymes). So, if you're thinking about trading in your car or your hair on a newer model.....why not give the Newlyweds a call.
