

Just Finally Married

1000 – 1

Can you believe it? It just goes to show you that the old adage finally does add up. You might be wondering just what the heck is the old adage?.....it's ALG. No, that doesn't mean "Ain't Love Grand" and it sure as hell doesn't mean "Always Looks Good". It stands for "At Last Gunned-down". Please note however, the Bible is very clear when it comes to Holy Matrimony and Holy Horseracing.... "what God has joined together – should never interfere with going to the track" (check it out...I think it's in the book of Keeneland). You've heard, "you've got to kiss a lot of frogs.....", well how about "if you make enough bets, you'll finally cash a ticket". Before galloping down the aisle, this seasoned stallion was almost retired to stud.....now he's just "almost retired". He might not have figured this out yet but stud service will no longer be requested. And if you're wondering about morning workouts – well, keep wondering.
