

Ross

5 – 1

If you have a little boy
You'll know about this stuff
Star Wars, transformers, and playing ball
And pancakes with lots of syrup

These are things that I like
Without them I'm really bored
I'm graduating from Kindergarten
And taking a big step forward

I might go straight to high school
Dad says I'm really smart
I got an "A" with popcorn words
And A+ in Pop-Tarts

I already passed Derby School
Ahead of everyone else
I just repeat what Daddy says
"God Bless The Commonwealth"
